SOUTH TEXAS AUSTIN-HEALEY

CLUB (STAHC) is an area club of the Austin-Healey Club of America, the largest Austin-Healey club in the world. STAHC is one of 47 independent area clubs and was sanctioned by AHCA in 1979. STAHC covers the Austin, San Antonio and surrounding areas of South Texas.

Membership is open to owners and enthusiasts of all cars bearing the name HEALEY. Ownership of a Healey is not required. For membership information please contact Bob or Tina Adkins at:

(512) 264-2042.

Membership information is also available at:

stahcmembeship@icloud.com

You can join online at:

www.healeyclub.org

Current and past issues of *Rumblins*, as well as other information about our club, can be found at the STAHC web site:

www.STAHC.org

STAHC is on Facebook at:

<https://www.facebook.com/southtexasaustinhealeyclub>

TECH SESSIONS

(Tech sessions can be a get-together of members to help a fellow club member with a specific problem or a task that requires, or is easier, with one or more helpers. A Tech session can also be a meeting where a member, or non-member, with some particular skill or expertise demonstrates how to accomplish a particular task. Tech Session attendees may be helpers, teachers, learners, tool suppliers or any combination of the above. Tech session hosts usually supply light refreshments. Beer is recommended.

If you would like to host a tech session please send notification to Ron Borden at rborden@gvtc.com as far in advance as possible, but no less than one week ahead of the session date. Your request will be forwarded to all members on the *Rumblin's* e-mail list.)

TOOL BOX

The purpose of the Tool Box is to assemble, and make available for use by STAHC members, specialty tools that are used in the restoration and/or maintenance of Healeys. In general, such tools will be those that are too expensive for an individual member to acquire for one time, or infrequent use.

Currently, the STAHC Tool Box contains the following:

- Lift-the-Dot Hand Punch. (Punches center hole and prong holes for installation of Lift-the-Dot fasteners for tops and tonneau covers. Moss Motors No. 226-105.)
- Texas Fastening Tool
- Snap Fastening tool
- Valve Guide Reamer size .281 for intake and exhaust standard size valve guides used on all Sprite and Midget A series engines 1958 - 1974
- Engine leveler (for removing or installing an engine)
- Carb Synchronizer
- Colourtune Carb Synchronizer
- Wire Wheel Spoke tool
- 1/8" OD pipe bending tool
- Panel & Trim Removal Tool Set
- CD Workshop Manual for Sprite MK 2, 3 & 4.

If you would like to borrow any of these tools, please contact **David Ayer** at:

dbayer@swbell.net or 210-775-8168.
